UTÖKAT SORTIMENT! CASK CONDITIONED ALE

Öl på cask, även kallad "real ale", är öl som jäser naturligt i fatet och är därmed så färsk ett öl kan bli. Cask serveras utan kolsyra eller kväve, detta ger ölen en unik karaktär med en mjukare kolsyra och en fylligare, komplex smak.

Vid frågor om sortiment eller installation på din krog, kontakta william@brewery.se eller på tel: 0708 16 41 18
